

Troop 90 Credit Card Processing

July 28, 2016

Disclosure

Troop 90 has implemented a system to accept credit card payments for scouting activities on our website. Careful consideration has been made to select a vendor to process your credit card payments securely as well as interact with our website. For this purpose, we have chosen [Stripe.com](https://stripe.com) for online processing. Stripe will charge the Troop \$0.30 per product sold and 3% total per transaction. We are asking you as the parent to accept these fees in order to keep the cost to Troop and your Scout to a minimum. Although we would wish to absorb these fees, ultimately this is a convenience we are providing to you as the Scout Parent.

Process

Permission slips will be posted on the Troop website and attached by link to the Troop Calendar. The form can be accessed via your personal computer or mobile device. The fees for each events will be calculated based on quantity plus applicable convenience fees. Signature will be required prior to submission. Credit card info will be securely captured and processed by Stripe. On successful submission, an email receipt will be sent to you confirming payment. Troop leaders will also receive an email confirming your payment. Your credit card statement will list this transaction as TROOP90BSA.ORG along with charged amount.
